

Lab Log #1 Contract

Name: _____

1. Set-up time estimation:

2. Sample time estimation:

3. Total data estimation:

How many trials of each Independent variable do you plan on recording?
(Note: not all projects can have multiple runs of a given I.V.)

How many pieces of data do you plan on recording totally for the whole
experiment?

4. Fill out either a **or** b below

a. I will be able to have _____ pieces of data and a signature from my mentor by 12/13/10.
This represents 5 hours of data gathering multiplied by my sample time estimation given above.
The schedule I plan to follow is written on the calendar on the back of this form.

Student Signature: _____

b. I will NOT be able to have 5 pieces of data and a signature from my mentor by 12/13/10
because: (please explain why in the space below, and **include a plan of what you will do with
this time on the calendar on the back of this form and indicate the date that you WILL
have data**).

Mentor Signature: _____

Teacher signature: _____
